Delighting Customers Achieving Results

DELIGHTING CUSTOMERS

“It’s great to see so many enhancements to this program. I appreciate that you are so receptive to our requests and suggestions; it’s a very positive experience from a customer standpoint.”

Jan Clark, Risk Management Coordinator
Saugus Union School District, CA

TOP-NOTCH SERVICE

“I would like to personally thank you and your staff for their continued support and excellent customer service. Top Notch!”

Steve Lyons, Loss Control Consultant
Puget Sound Workers’ Compensation Trust, WA

REDUCING LOSSES

“The program has been great! In the first year I have been able to reduce my workers’ comp claims by 18%, saving the district thousands of dollars. The system pays for itself...and then some!”

Cathy Tyner, Benefits Coordinator
Darlington County, SC

SCHOOL-FOCUSED CONTENT

“When I saw the scenario in your Slips, Trips, and Falls course that has a teacher putting a chair on top of a desk in order to hang a poster, I was sold.”

Paul Smith, Business Manager
Hudson City Schools, OH

EXPERT AUTHORS

“This program is indispensable. It’s like having a team of school safety experts on retainer to train our staff.”

Tonya Hamilton, Training Coordinator
Archuleta School District 50, CO

EASY TO USE; EFFECTIVE

“6,000 Employees - 30,000 course completions - one school year. Thank you.”

Jeff Long, Safety Training Coordinator
Escambia County Schools, FL

ENSURING COMPLIANCE

“We successfully completed thousands of school-specific safety & compliance courses this year using SafeSchools.com. The system assigned the appropriate courses to our various workgroups and tracked everything automatically—just as billed. I highly recommend this program.”

Vickie De Giso, Human Resources Director
Nogales Unified School District, AZ
